## INSTRUCTIONS FOR COMPLETING ALL OF THE ELEMENTS ON THE REPORT OF NEW EMPLOYEE(S) FORM

#### **REQUIREMENTS:**

Federal law requires all employers to report all newly hired employees, who work in California, to the Employment Development Department (EDD) within 20 days of their start-of-work date, which is the first day of work. In addition, any employee who is rehired after a separation of at least sixty (60) consecutive days must also be reported within the 20 days. State and county agencies use this information to assist them in locating parents who are delinquent in their child support obligations.

#### **PENALTIES:**

Employers who fail to report the hiring or rehiring of an employee, as required and within the time frame required, may be assessed a penalty of \$24 for each failure to report or \$490 if the failure to report is an intentional agreement between the employer and employee to not supply the required information or to supply a false or incomplete report.
